Information

Join us March 31 - April 2, 2010, in Monterey, California

Attendees will have another excellent opportunity to get acquainted with leaders in the fight against fraud!

We are pleased to announce that all members of the California Fraud Assessment Commission (FAC) will be attending the conference in an effort to make more informed decisions in evaluating anti-fraud training and outreach efforts. We are honored by their attendance at our presentations and networking functions, and are confident they will find our training to be meaningful and cutting-edge.

The FAC is comprised of the Chair, Commissioner Lisa Middleton, as well as Commissioners Jiles Smith and Lilia Garcia, and, newly appointed by Governor Schwarzenegger, Commissioners John Riggs of Disney and Don Marshall of Zenith, who is also our Conference Speaker Chair.

Former FAC Chair, Bill Zachry, will be a presenter again this year.

Commissioner Middleton's SCIF SIU management team will also be attending the conference – another great networking opportunity not to be missed.

Your participation helps make the conference even better!
